NEWS FROM 2022

Dr Chris Naylor joined the team in June; he is a great asset to our team. Huge congratulations to Nadine, our trainee dental nurse on passing her nursing exams. On the 1st September 2022 we had a full CQC inspection, something which we had not had for over 10 years. We are delighted to let you know that the inspectors couldn't fault our practice and were very happy with all aspects of patient care and management of the practice.

Please note that our fees have increased for 2023. Full details are available on our website

DENTAL PLANS NOW OFFERED

This allows you to budget for your dental maintenance and pay monthly, save 10% on dental treatments and enjoy benefits of WDEAS, which is there to help you in an emergency, redundancy and when you are away from home.

If you would like to join one of our plans call the practice and we will send you a copy of the plan literature or a link to join by email, it is very simple to become a member. email: membersehoptondentalsurgery.co.uk
