

Appointment Management and Cancellation Policy

It is the aim of this practice to provide quality dental care to our patients and to use clinical time effectively. To achieve this aim, we have an appointment management and cancellation policy.

Management of appointments

We invest in the latest technology to allow our patients to make or reschedule appointments easily. Our appointment system supports timely access to care and treatment, allows patients to access services at a time that suits them and minimises the length of time people have to wait. Appointments can be made online via recall link sent in an email or by calling the surgery on 01953 688 110.

Reminders

E-mail/Text/Phone call reminders are sent to patients before any appointment and patients are requested to inform the practice of any changes to their contact details.

Cancellation or delay of an appointment by the practice

We will only cancel or delay a patient's appointment in unavoidable circumstances. In such cases, we will take the following steps:

- The patient will be contacted as soon as the practice is aware of the need to cancel or delay the appointment. We will explain the reason for the cancellation or delay
- At the time of contact, the patient will be offered a new appointment at the earliest time available
- If the patient is unable to commit to a new appointment during that contact, we will ask them to get in touch at a later time, when we will offer them a priority appointment

Cancellation of an appointment or missed appointment by a patient

Patients are requested to give at least 24 working hours' notice to cancel a dental appointment. Cancellations should be made by telephone on: 01953 688110 or via email. Late cancellations and missed appointments may represent a cost to the practice, when other patients could have been seen in the time set aside for the patient.

We reserve the right to ask a patient to find another dental practice if they continue to miss appointments or cancel appointments at last minute.

If more than two dental appointments are missed or cancelled with less than 24 working hours' notice, we do not guarantee being able to offer them treatment in the future.

There is a fee for dental appointments that are missed or cancelled with less than 24 hours' notice. The fee is 100% of the planned treatment for that appointment.

It is our aim to telephone or write to patients after a missed appointment to understand the reason for non-attendance and to inform them about any fee or decision about their dental care. We understand that cancellations are sometimes unavoidable due to illness or emergencies and we will take account of all valid circumstances.

Any appeals about missed or cancelled appointment decisions by a patient should be made in writing to the Practice Manager, Laura Lane.
